

Mogens And Other Stories - Jens Peter Jacobsen

[DOWNLOAD HERE](#)

In the decade from 1870 to 1880 a new spirit was stirring in the intellectual and literary world of Denmark. George Brandes was delivering his lectures on the Main Currents of Nineteenth Century Literature; from Norway came the deeply probing questionings of the granitic Ibsen; from across the North Sea from England echoes of the evolutionary theory and Darwinism. It was a time of controversy and bitterness, of a conflict joined between the old and the new, both going to extremes, in which nearly every one had a share. How many of the works of that period are already out-worn, and how old-fashioned the theories that were then so violently defended and attacked! Too much logic, too much contention for its own sake, one might say, and too little art. This was the period when Jens Peter Jacobsen began to write, but he stood aside from the conflict, content to be merely artist, a creator of beauty and a seeker after truth, eager to bring into the realm of literature "the eternal laws of nature, its glories, its riddles, its miracles," as he once put it. That is why his work has retained its living colors until to-day, without the least trace of fading.

Author: Jacobsen, Jens Peter
Publisher: 1st World Library - Literary Society
Illustration: N
Language: ENG
Title: Mogens and Other Stories
Pages: 00112 (Encrypted PDF)
