Details: ASHLEY KING, SINGER WWW.ASHLEYKINGMUSIC.COM ASHLEY KING is currently working on the release of her debut Album ; Waiting for the Future, for which the first single is set to launch in May 2009. This multitalented artist is also the design assistant to Canadian Fashion Designer Kevin Allwood, creator of the NEVIK, ALLWOOD and KEVIN ALLWOOD luxury clothing brands. Born in Toronto in 1986; Ashley with her parents, at the early age of two moved to Montreal Quebec. Her initial introduction to the world of music, came as a soprano signer in a competition choir from 2003 to 2005. Prior to this, she was enrolled in private tutoring and voice coaching from the age of thirteen. In 2006, she received a diploma in Fashion Design from Internationally acclaimed LaSalle College in Montreal, Canada. At Present, she is multitasking as the assistant to Designer Kevin Allwood as well as writing and co-producing her second album with Buddhafish Music in Montreal. Ashley is also the inspiration behind the Ashley King Platinum label, designed by herself under the Kevin Allwood Group Fashion House, to be launched in 2009. The clothing line is described in three words; simple, comfort, pure. Beautifully clean cut clothing with natural easy elegance. Garments such as track jackets and pants, easy dresses and denim pieces will build this very chic-demure collection. Ashley Kings musical style has been referred to as The young Sade meets Shinead Oconnor, while partying in Ibiza. With her background in Jazz, Classical and Dj-ing house, techno and electronica, has made her a perfect match to collaborate with Producer Kevin Allwood in creating the Ashley King Sound. As a musical genre, it would be defined as a fusion of Neo-soul, Drum n Base and her powerful angel voice in other words : Feel Good Music. As well as working on the final stages and release of her first album and her clothing line, Ashley King wishes to work with her record

label, BuddhaFish Music in collaborating with other Canadian artists in the future. Ashley King has also teamed up with the Allwood Foundation in Jamaica, which is dedicated to help under privileged women send their children to school and start their own small businesses. This organization is planning on expanding to assist all islands of the Caribbean. MISSION :::: To bring positive things to this planet. To create awareness through the music I make and the way I dress the modern woman. Its all about making people feel good
