[DOWNLOAD HERE](#)

Music based on rhythms from around the world; from Afro-Cuban to middle eastern to Polynesian. 10 MP3 Songs in this album (36:15) ! Related styles: WORLD: Drumming, WORLD: World Fusion People who are interested in Mickey Hart Babatunde Olatunji should consider this download. Details: Worlds contains a wide range of rhythms from around the world, which we use as the basis for our own songs. A few of the songs are pure drum and percussion songs, most include various instruments creating modern music around traditional rhythms. Belaharr likes to take traditional rhythms from around the world and turn them into arrangements that "makes sense" to our western trained ears, crafting songs for our generation around the rhythms of our forebears. We like them, and think you will too. They are from all our worlds.
