An eclectic mix of songs based on medical themes. 11 MP3 Songs POP: Quirky, ROCK: Classic Rock
Details: There's no better word to describe Brain Warm-ups than eclectic. This group of medical songs ranges in style from rock to rap, country to comic opera. Inspired by subjects from neonatal resuscitation ("Warm 'Em Up") to decontamination of nuclear, biological, and chemical exposures ("Decontaminate Them"), this album has something for everyone. Go ahead. Have a listen. While based on medical subjects, these songs are intended only for entertainment.
