

Mp3 Bruce Main - Tracks

[DOWNLOAD HERE](#)

What do you do when your Pink Floyd and Peter Gabriel CD's are worn out? Listen to TRACKS by Bruce Main. 8 MP3 Songs ROCK: Progressive Rock, ROCK: Classic Rock Details: Bruce Main was a founding member of Northwest progressive rock band MEDUSA in the 1970's. He went on to write and play lead guitar in THE EDDIES, an American rock band that toured extensively in the Midwest and MANIA, a Northwest Progressive Metal band. He has been part owner and chief engineer of commercial recording studios, a live sound and systems engineer doing shows for everyone from Bob Hope to Slayer (inclusive) and a sound system designer working on projects including everything from NFL stadiums to clubs, theaters and churches. His new CD brings together all of his past influences and showcases his playing, writing and recording talents in a stunning solo debut full of potent lyrics, harmonies and textures with a sound all it's own. His unique guitar style weaves it all together with great playing by bassist Brian Phraner (Medusa, Phreeworld) and percussionist Thom Mullins. Don't miss this one.
