

Mp3 Carolyn Cruso - Transformation

[DOWNLOAD HERE](#)

All original pieces in an unusually lyrical style of dulcimer playing, the CD creates a soothing mood to journey on. Many world influences as well as instrumentation. 12 MP3 Songs EASY LISTENING: Mood Music, WORLD: World Fusion Details: Carolyn Cruso is an acclaimed hammered dulcimer player who has gained national recognition for her recordings. Her style is unusually lyrical and her material is largely original. John Diliberto of the nationally syndicated radio program ECHOES, has described her compositions as "sounding like they emerge from ancient forests," which accurately accounts for the natural world being a strong inspiration for her. She has been writing and performing for fifteen years and is also a singer/songwriter who is quickly making a name for herself with her "intricate musical poetry" (Eugene Weekly). Cruso also is an accomplished flute player. Her performances are intimate and "she holds a crowd's attention with her quiet and graceful ways." (Cashmere Record).
