Just waiting to be discovered as one of the most gifted artist to hit the scene. David Payne is making his own blazing trail in this music industry. Moving from jazz, powerful R&B to romantic ballad love songs all coming from deep within his soul as you will well hear in his album debut. David Leon Payne was born February 26, 1957, in Manhattan, N.Y., and raised in Brooklyn, N.Y. First of three children born to James Edith Payne, his mother being one of Jehovah's Witnesses', came up in a religious household. David picked up his love for music and singing from his parents. His father listened to jazz such as Jimmy Smith, Miles Davis, Coltrane to Quincy Jones. David watched his father try to make it in the entertainment field by singing at different clubs, but due to illness was not able to continue. David always felt he could continue in his father's footsteps by succeeding in the entertainment world. David was always surrounded by music from both sides of his family. Coming up around the Motown years in which inspired him even more to pursue singing groups and bands in the style of The Temptations, The Delphonics and many others. His true heroes besides Quincy Jones in jazz was Marvin Gaye, Sam Cooke, Luther Vandross, Peabo Bryson, Issac Hayes and Barry White. In his later years he developed a deep love for writing and composing music as much of who he listened to did. As you explore into David's world in which you will hear in his music, you will not be disappointed. David's musical compositions whether instrumental or lyrically is truly moving, reaching into every emotion he's ever experienced. Come, hop on board and allow him to take you on his ever moving journey Deep Within The Soul.
