

## Mp3 Dennis Zimmer - In My Head

[DOWNLOAD HERE](#)

This CD is Rock n' Roll with some Big Beats, Funky Grooves, and Catchy Hooks... 10 MP3 Songs POP: Today's Top 40, ROCK: Modern Rock Details: Dennis Zimmer, one of the two front men for the exceedingly popular New Jersey based cover band Big Orange Cone, has currently been busy writing some music of his own.... With the gratifying, tastefully cultivated guitar work of Steve "Maz" Mazza, and Abe "Rui" Ruiz, the first solo effort has been completed.... Constructed of songs influenced by Lenny Kravitz, Phil Collins, Mick Jagger, and Prince, this music both is uniquely satisfying, and harmoniously enjoyable.... We hope you appreciate this first effort, and we thank you very much for listening....
