

MP3 Dirtbird - White Horse Road

slow, ethereal alt-country featuring two voices, guitar and cello.and some dark songs. 10 MP3 Songs
COUNTRY: Country Folk, FOLK: Folk Blues Details: Majestic slo-mo acoustic duo Dirtbird feature David M. Lewis (guitar and vocals) and Cathy English (cello and vocals). The dark, visionary songs they conjure from the ether are unsettling and unique. Influences range from Neil Young to Low and Gillian Welch, but their ethereal warmth and sheer otherworldliness is all their own. Their second album, White horse Road, was recorded with producer/engineer Richard Pleasance in Central Victoria, Australia, and features a couple of subtle additions to their live sound, such as a dobro, autoharp and occasional double bass, but is mainly a true rendition of the smoky stripped-back sparseness of their live shows.
