Rap/Hip-Hop 15 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: West Coast Rap Details: "Duece has quite a start on the road to stardom. His single mother raised him and his siblings, and he worked throughout high-school to make things easier. His cousin and rapping inspiration's unfortunate death led him to the conclusion that he should make a career out of the release he found in the mic. Rising from a difficult background, Duece's success would perfectly capture the American Dream, and he has already shown signs of what's to come. After buying a beat from C-Major, Duece showed enough passion and promise to receive his endorsement and partnership, and the result of this is his debut album, 'Brookfield, California.'" - RapReviews.com "Solid Rap Performance" - Taxi Duece is one of very few, having pure talent to go along with the voice and image of a rap star. He verbally abuses each track with dynamic rhyme schemes, superior word play and staggering punch-lines. With lines like: "My big punisher dont get no respect/so now I'm pissed, no mo sways in my king tek" from the track All These. But dont listen to me, click on the links to the left w/ the hot singles "Move" and "Seat Cushion" and the street anthems "Street Lyfe" and "Brookfield" and find out for yourself.
