

Mp3 Gabrielle Angelique - The Little Albums

[DOWNLOAD HERE](#)

A special 2-disc collection of New Age Modern Folk music with a splash of blues. Featuring soaring vocals, ambient musical instruments and vibrant harp glissando's orchestrated to give rise to the listener's spirit. 12 MP3 Songs in this album (46:44) ! Related styles: POP: Folky Pop, NEW AGE: Adult Alternative People who are interested in Sarah McLachlan Dido Kate Bush should consider this download. Details: Gabrielle Angelique's passion for eclectic music led her to study under master instructors of Celtic, World, Folk, Blues, and Pop/Rock music. Blending those genres allowed her to develop her own unique sound, creating fairytale worlds of wonder and magic within each album. She has been placed on many Celtic compilations for her performance of "Ancient Souls" with global distribution and has received over 1 million downloads from her collaboration of "Keep It Alive." Gabrielle's Discography includes: Echo, Light, Celtic Twilight, Dance with the Stars, and her most recent release The Little Albums. Taking ancient Celtic melodies and mixing them with her own crystalline songs, harpist Gabrielle Angelique creates relaxing harp CDs that touch the hearts of listeners of all ages. Pursuing her true passion, singing and composing, Gabrielle has begun releasing vocal/instrumental albums. She weaves reality and fantasy together in her unique way, creating a world of evocative music where imagination soars. Take a journey to Gabrielle's world. Listen and remember long-forgotten places of magic.
