New age pop with a traditional influence. 13 MP3 Songs POP: Pop/Rock, URBAN/R&B: R&B Pop Crossover Details: Knight Time is innovative, creative and graceful. The music seem to glide and float in melodic fashion (at times) giving this music a joyous, thrilling, hypnotic sound. At other times it's "thumping" and upbeat with a very contemporary relevance to popular culture. Glenn Knight is an undiscovered pearl in a sea of oysters. He has a very unique and smooth sound that can transcend almost any music genre. Glenn is not only a great vocal but a prolific writer, pianist and guitar player as well. Teamed with up and coming writer/producer Charles Haugabrook, he delivered an amazing CD that is on a level all by it's self. The music appeals to a broad range of listeners, from pre-teens to 20 somethings to older adults. Glenn's boyish good looks makes him appealing to 13-19 year old girls but he also has a "soulful" quality about him that appeals to male listeners as well. Knight Time is just the "tip of iceberg" in terms what this duo is able to produce. Keep your ears and eyes open for more hot music from Rainmaker Records. People who are interested in Justin Timberlake Chris Brown should consider this download.
