A Children's album that almost isn't one. Ragtime guitar styling with an exceptional quality of songwriting, lyrics for an entire family audience, of all ages. 12 MP3 Songs KIDS/FAMILY: General Children's Music, FOLK: Traditional Folk Details: J.P. Harrison's long-awaited first album, Storytime, is now available for discriminating collectors of family entertainment. His stuff is well-received by kids and adults alike. Still very much a kid at heart, J.P.'s themes are chosen with kids in mind, but written in a style that appeals to adults as well. Eleven original titles, plus one favorite old standard make up the songlist. J.P. Harrison gives kids credit for having a sensitivity and sensibility about the world around them, using lyrical expression that never loses its grip on a strong poetic style. Quote from the artist: The slogan, "KIDS ARE PEOPLE, TOO." isn't just a slogan, but words to live by!
