Indiana cornfed funk and roll 13 MP3 Songs ROCK: Funk Rock, ROCK: Psychedelic Details: Let's imagine a little rock, a little funk, a taste of the heavy sides at times and an all out original assault of cornfed melodic tunes. You have four guys from the upper south that have been doing their own thing for the past six years. Having over 70 original tunes and a second cd in the bag, JEB is hitting the midwest, central rockies all the way up and down the eastcoast. Lookforward to nothing but good tunes and touring from JEB
