George Carlin called him "funny and smart"--very perceptive man. 18 MP3 Songs SPOKEN WORD: Comedy, SPOKEN WORD: Standup Comedy Details: Jeff Caldwell is known to audiences nationwide as a clean, clever comedian with one of the brightest standup acts around. Whether at a comedy club or a corporate event, Jeff delivers smart, funny jokes on topics ranging from the daily news to the daily grind, subtly tailoring his material to fit any crowd. CBS got wise to Jeff, scooping him up to develop his own sitcom. He's recently appeared on "The Late Show with David Letterman," made his second appearance on "The Late Late Show with Craig Ferguson" and made his Comedy Central debut on "Live at Gotham." Jeff also makes appearances on national news and political talk shows, on XM Radio, and is a regular on the nationally syndicated "Bob and Tom" radio show. "...Caldwell delivered an absolutely brilliant set of G-rated observational comedy that brought to mind the likes of such stand-up titans as Jerry Seinfeld and Ray Romano. Riffing on a slew of contemporary subjects, Caldwell hit the mark with almost supernatural consistency."--Cherry Hill, NJ Courier-Post
