

Mp3 Jeffron - Deliverance

[DOWNLOAD HERE](#)

If you like sweet,smooth soul music with plush vocal harmony(Baby face, john B or Brian Mcknight flava) this album is a must for your collection.Multi-instrumentalist, singer/songwriter Jeffron has written, produced and arranged this debut album. 12 MP3 Songs URBAN/R&B: Soul, EASY LISTENING: Love Songs Details: jeffron Was born in Hampstead North West London and began his musical journey aged five when he discovered a natural ability at the piano during a family visit. His interest in music led him to set up a school band aged 14 where he played keyboards. It wasn't until he had left school that he started to work on music production and song arrangement using the most basic home studio set-up. This early experience of song production and arrangement set jeffron on course for an opportunity to work with ex "Hot Chocolate" lead singer Errol Brown. As Jeffron's songwriting ability began to develop he would get further opportunities to work with a variety of artists like "Sugar babes" and "Liberty X" also remixing popular tracks like "Ghetto Heaven" by the Family Stand,Aretha franklin and Lauren Hill's "A Rose is still a Rose".After a few years break working in the world of interactive media as an interactive producer and web designer. Jeffron has added to his technical skill further enhancing his ability to deliver his music globally.Now Jeffron is about to debut as an artist with his album "Deliverance". A self taught guitarist,keyboard player and vocal arranger Jeffron has added the final weapons to his musical arsenal in the form of Production, programming and audio engineering, all skills showcased on his first solo works. The sound is a hybrid consisting of sweet Soul/RnB vocal tones with Jazz riffs, liks and undertones fused together by strong pop vocal hooks,arrangements and melodies.
