

## Mp3 Jj Baron - Stranger

[DOWNLOAD HERE](#)

JJ has the ability to channel many different styles of music, from Folk to Bluegrass to Country to Rock-and-roll, into a truly unique yet familiar sound 12 MP3 Songs COUNTRY: Country Rock, FOLK: like Ani Details: JJ Baron is a young singer/songwriter from Providence, Rhode Island, whose music is rooted in traditional Americana. Often compared to a young Bob Dylan, He has just released his debut CD 'Brand New Stranger' on Rhody Records, and while JJ is just 23 years old and still relatively unknown, his talent for writing music and live performance will rank him among some of the best. Includes guest appearances by exceptional musicians including: Jim Weider (guitarist, The Band), Buddy Cage (Pedal Steel, NRPS), Stu Kimball (guitarist, Bob Dylan), Scott Murawski (Guitarist, Max Creek). JJ's 'Song For June' is featured on Slaid Cleaves new CD 'Unsung'. JJ is currently living and performing in Austin Tx. More on JJ... [jjbaron.com/history.htm](http://jjbaron.com/history.htm)
