Modern Country from Austria (yes Austria, and the singer comes from Australia, to make things easy.). The album features some great covers, like "Highway to Hell", "Mercury Blues", or "Jambalaya". Check them all out. 10 MP3 Songs COUNTRY: Modern Country, COUNTRY: Country Rock Details: Having played in several successful bands and musical projects in Europe and Australia, JOHN DEER have developed a style of Modern Country, blending great vocal harmonies with fine acoustic strumming, lightning fast finger pickin to swampy steel and electric guitars, a rock solid bass and drums rhythm section and tasteful flowing piano melodies. In November 2005 JOHN DEER decided to go into the studio and cut their first album. Together with good friend and renowned producer Andreas Frei from FREIAUDIO in Klagenfurt Austria, the outcome is GONE COUNTRY, with ten great tracks including new original material. The album is honest and true, powerful and also moving, and shows their vast experience as vocalists, players and song writers. Having the pleasure of working with special guests Hamlet Fiorilli (piano) and Andrea Ogris (vocals) on the album, their input has helped put a fantastic edge to the final product. JOHN DEERS next album will be recorded in the summer of 2007, and with tours planed for many venues and festivals across Europe in the near future, the boys from JOHN DEER look forward to seeing you at one of their shows for some heart breaking ballads, country classics, great music and good vibes !!!!!
