This is a collection of passionate and airy songs, ranging from lullabys to sex, that define this quirky singer/songwriter. 13 MP3 Songs FOLK: Folk Pop, FOLK: Modern Folk Details: Jolene released October 2004 songs recorded by Bruce Siekman in New Jerusalem, Pa. songs written by Jolene " Hey....I'm a professional now???" This is my first "real" CD. I was wanting to do something on a grander scale. More professional, more produced, higher quality sound, etc. So...I found Bruce at Amoeba Studios. I had so much fun recording this CD. I love what Bruce added to it. It took a year to finish it. I had to celebrate by having a big CD release party. We had cake and everything!
