Contemporary Piano/Synth based Christian pop 12 MP3 Songs GOSPEL: Contemporary Gospel, POP: Piano Details: I've been singing, writing, and playing a long time. I've sung with different bands and groups, both Christian and secular. In wasn't until eight years ago that I started writing Christian music. It was during a time in my life that I experienced some very hard times, but had come through those times only because God was (and is) constant, merciful, and ever-faithful. He is so awesome and I wanted to write songs of praise and adoration for all He had done for me. I felt so undeserving, thus the song, Undeserved, the title track to my first CD, was born.
