The Lab Teknicians combine Rock, R&B and Hip-Hop to create a sound that is incomparable to today's disregard for originality. 12 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Rap Details: The Lab Teknicians formed in the summer of 1999 in a bedroom in Union, N.J. This group, comprised of Rich Pitta and Joe Vidal, has a unique blend of alternative rock, hip-hop, and R&B which makes their sound distinct and innovative. Rich and Joe have a strong musical understanding and an ability to work well with each other in the studio due to their long history of being family friends. This dynamic duo gives each beat an emotional feel that is unmatched by today's disregard for originality. Unafraid to experiment with new sounds and chord structures, the Lab Teknicians have the potential to continuously push the envelope of hip-hop and R&B production.
