

Mp3 L.e. Stokes - Good Intentions

[DOWNLOAD HERE](#)

"Good Intentions" is at times introspective and at times a flippant nod to romance. This singer/songwriter combines insightful lyrics with an incredible voice to present her story. 5 MP3 Songs POP: Folkly Pop, FOLK: Modern Folk Details: L.E. Stokes spent her childhood in Reno Nevada and Dallas Texas. She came out to California to attend Pepperdine University where she studied music. Her study focussed primarily on Classical music with training in opera, choral music, and musical theater. Shortly after leaving college, she chose to pursue songwriting. Her music offers a candid look at what it is to be a 20 something, a woman in a post modern world, a child, an adult, a human being trying to find meaning in all her experiences. Through poignant lyrics that explore the intricacies of confusion and self-doubt there is a celebration of the absurdity and order of life. She has played to crowds in California, Texas, Scotland, England, and France. Her music is a true reflection of her life. An uncompromising and steady voice juxtaposed by asking the questions that are on everyone's mind. You may find that you hear echoes of singer/songwriter's that have gone before. Listen to this cd and see that L.E. Stokes has more than just good intentions.
