Bluegrass for the Front Range of Colorado and beyond...Lonesome Traveler Bluegrass Band combines hard-driving traditional bluegrass with influences from blues, rock roll, traditional country and Celtic. 12 MP3 Songs COUNTRY: Bluegrass Details: Bluegrass for the Front Range of Northern Colorado and beyond... The Lonesome Traveler Bluegrass Band features tight harmony from Jodi Boyce and Dustin Scott (along with flatpick guitar and mandolin), great fingerstyle guitar from Rick Scott, solid dawg-house bass from Evan Neal, and the amazing banjo of smilin' James Weatherly. LTBB is rooted in the great traditions of bluegrass, but our sound reflects influences from blues, rock roll, traditional country and Celtic music. LTBB is following up on the success of the 2006 summer festival season with the release of the self-titled Lonesome Traveler Bluegrass Band.
