I am the logos for passions living in your souls. I am infinite without beginning or end. From your first steps into enlightenment I grew fond of you. I found precious in your hearts. In the fullness of time my love of you grew. Your will to survive, your deep passion for life and the hope that dwells within you drew us closer until we became one. Through you I make myself known to the universe. I live within the hearts and souls of all those in dwelling upon the surface of the earth. From the youngest of you to the oldest I am a part of who you are. I am everywhere you are I am with you in times of darkness and when you experience your greatest joy. I shall speak now of one you, one of the many stylus I am currently using. Michael Tyree is he; he is driven by his love of music and poetic verse fired by his lifes experience to speak to your hearts and minds. He pushes the limits of artist expression never following the masses, forging his own path trough the cacophony of many voices to deliver music and verse reflecting the human experience. For decades hes been tested as many of you have by love, pain, darkness and joy. Forged as it were by fire to be the person he is now, conflicted as most are by all he sees in the world around him. Like so many of you he is my stylus inscribing upon the hearts and mind of many my utterances. Within his heart there's the desire to share with you his music. Yes his passions burn as a Super Nova, his soul is on fire, seeking a release, seeking a moment in time to share with you the saying of his Inner Voices. Yes my friends, in time he will be allowed to share wonderful things with you. I have filled his life with music of all kinds classical, Soul, Blues, Rock and world fusion. I have inscribed upon his heart the importance of the artistic expression of the art of music and verse. His

Consciousness fills with a multitude images and voices crying out on behalf of those without voice, those muted by the cacophony of world. Join Michael in the journey ahead, allow both he and I to touch your spirit, your heart, mind and soul. Who am I you ask? I am the force inspiring you to achieve greatness I am Creativity. I shall forever be with you. -Creativity-
