When he was 14 years old in the 8th grade he wrote his first rhyme and performed it at the school talent show. That's what he did in his spare time because it helped him to vent his stress. At the age of 13 his father passed away from AIDS so expressing the pain through lyrics was a remedy. Every since Mizphit has been perfecting his skill in performing, writing, and producing phat tunes for his fans to bump to. Over the years Mizphit had been associated with many groups who in time he felt weren't serious enough for him. So he continued to pursue his dreams as a solo artist doing hundreds of shows and soliciting all of his own material. His first solo album Supreme Being was released in 1999. Soon after came Fatal Reaction in 2001, and Dark Dayz in 2003( all of Mizphit's albums will be re-released ). Now the highly anticipated Symphony of Shadows was just released 1/1/2006 ( locally in CO and on CDbaby ). No matter what just now that Mizphit is a solid prospect in the game and he will never cease to remain consistent 4 sho.
