You'll hear a beautiful selection of wonderful love songs that are perfect for men OR women to enjoy, as performed by the sensual voice of Pat Rocco. What's more, the album features an amazing thirty-seven tracks, and Mr. Rocco does something that few artists do - he sings some of the VERSES to the songs. In case you didn't know, most composers write a "verse" to each song - it's a short vocal introduction that comes before the "chorus" - the main part of every song. Frank Sinatra did some verses, as did Ella Firzgeral and Rosemary Clooney, to name a few. But "verses" are rarely done, UNTIL NOW! So enjoy the likes of music by George Gershwin, Cole Porter, Rodgers and Hammerstein, Jerone Kern, and many others in this fascinating collection that's received rave reviews and belongs in your collection. You WON'T be disappointed.
