The southwest folk style of this album tells stories of people, places, and events in New Mexico. 12 MP3 Songs FOLK: Folk Blues, COUNTRY: Country Folk Details: Philip John Brooks is a professional singer/songwriter/guitarist who appears throughout England and the United States. His extensive repertoire is ever changing as he incorporates his latest original songs in live performances. His compilations include the CD's "The Fishermen of Fleetwood", "A different place, a different time", and "Canyon Road". Philip has also written television theme music, computer software music, and popular songs recorded by Irish showbands and the English group, Country Pie. Canyon Road is my second southwest CD, and I hope you find some of the magic of New Mexico in these songs. Take a walk up Canyon Road, hike Goose Creek Trail, and check out Santa Fe night life. Also included are songs of famous writers, a miner, and a Taos ski bum. Some of my favorite musicians accompanied me on this album. They include, Glen Duncan fiddle/banjo , Dow Tomlin bass, Wayne Killius drums, Dennis Wage piano/organ, Scotty Sanders steel guitar, and Charlie McCoy harmonica. Recorded at Omnisound Studios, Nashville, Tennessee. People who are interested in should consider this download.
