jewish/Klezmer 14 MP3 Songs WORLD: Judaica, JAZZ: World Fusion Details: Shawn's Kugel was started in 1997 and has performed all over the Pacific Northwest. We play an eclectic blend of organic Klezmer and Jazz. This CD contains the beginnings of the larger ensemble with more horns and percussion added. We introduce Wendy Marcus (My Mate) as vocalist. I think you will find the compositions on this CD very enjoyable.
