Mountain Rock Music provides a southern contemporary medicine for the soul . 15 MP3 Songs

COUNTRY: Country Rock, BLUES: Acoustic Blues Details: In 1975 at the age of 22 Sonny was saved and joined a small Free Will Baptist Church in South Carolina. Baptized in Black River in the middle of November Sonny began his walk of faith. It was a journey that would take him through many southern states as a bivocational pastor. These efforts were difficult, but not as difficult, nor as rewarding as a young inexperienced minister's efforts to over come the old south's refusal to die. The things that happen along that journey were as rocky and as blue as the music it created. Things that happen during this time were the things that songs are written about.
