

Mp3 The Golden Loadies - Break Ya Off A Little Somethin

[DOWNLOAD HERE](#)

ROCK-N-ROLL with a high energy feel great lyrics.A powerfull C.D. with an uplifting message of life. 9 MP3 Songs ROCK: Modern Rock, GOSPEL: Contemporary Gospel Details: The Golden Loadies Break Ya Off A Little Somethin is Fingers Malone (Bruce Hunt) and Big Dog (Edward Dowdy) All songs on this C.D. are original.The Project took about a year to write, record produce from start to finish. Fingers and Big Dog built a digital recording studio in a small office that Big Dog has had for several years. Pinnacle Records was formed there. Fingers Malone has been selling out concerts to thousands of fans from all over the world. His friends call him fingers for obvious reasons. Fingers hailing from St.Louis moved to Hollywood in the early 90s litterally dominated the Sun Set Strip as soon as he hit town. Reputed to be one of the worlds fastest guitarist. Fingers signed a record deal for a season and landed on the cover of Rock Magazine, Radio shows, sold out concerts the rest is history. Fingers worked along side of Vin Deisel in L.A. for years. Surrounded by friends in the industry in such bands as Guns Roses, Kiss, Quiet Riot, Crosby Stills Nash Young, Van Halen many more.Bruce was amaized Having his life long music heros comming up to him at shows telling him how much they loved his work. After living in L.A. for over 10 years having a great Rock-N-Roll career, with music still in his blood with many close personal friends in Saint Louis. Bruce landed back in the Mid-West with family friends. One Friend Edward Dowdy originally Hailing from Kalamazoo Michigan (The home of Gibson guitars)had been working on some riffs and some lyrics and wanted to get something going anyway so they Began to Form the Golden Loadies, giving family, friends loyal fans exactly what they have been waiting for.Track number one is called,Come On In and the name says it all. This inviting track lends itself to the ears of brotherhood and kindness listen close at the end and you will find a special track with a powerful message.Track number two is called, Yosemite Sam, a fun track about a character we all know and love

this song has awesome guitar solos including slide guitar with Big Dog at the microphone adding a southern onry feel to it.Track three is called, Maybe its time a song about change. Track four is called, Finding Out Its a rocker that stays with you was originally done in Las -Vegas re-recorded in good old Saint Louis at Pinnacle records.Track five is called, Special it is exactly that!Listen close as Kyle Dowdy delivers a heart warming performace that tops off this song with a 9 year olds muscian touch.Track 6 is called, Thank You a moving song of salvation and praise. Track 7 is called, Joy Unspeakable listen to 6 7 and drop us an email. Track 8 is called U City Loop discribing a sunset strip type area in Saint Louis with a touch of Hollywood Blvd...Track 9 is called Outlaw and has a unique western rock feel.Collectors Enjoy this best kept secret.
