Country-Rock flavor with a dash of blues 12 MP3 Songs COUNTRY: Country Rock, COUNTRY: Country Blues Details: Country Artist TJ Young, Is A Third Generation Professional Singer/ Songwriter and Entertainer. The Daughter of Career Recording Legend, Artist Bob Edgar, TJ herself has made a successful career of music and hasnt had a day job since 1991. Her natural, untrained voice has a definite country sound with intonations of blues. TJ Young has blazed her own successful trail in the music industry without the help of agents, starting off as the morning host for Country KRGO Radio and moving on to live shows, up to 8 per week for 15 years. She is a sultry and magnetic person who makes other people feel good about themselves and attracts everyone, from all walks of life, with a flash of her smile and the direct gaze of her eyes. She stands a regal 6 feet tall and gives the impression of stealth and prowess. Yet, TJ is always available for a hug. She is fun to be around though mannerly and gracious. Just when you wonder if she is for real, shell surprise you and make you laugh! On Stage TJ expresses herself with grace and charm. She is a gentle performer but stands on the edge of the stage as though she just cant get close enough to her audience. TJ Young is a female country - rock crooner. She is best described in the words of her Producer, Legends Hall of Fame, Robert Metzgar. Of all the voices in the country music business, TJ Youngs rendition of, Every Once In A Blue Moon will make you feel like youve just heard Patsy Cline sing live at the Grand Ole Opry. It will take you back to the days when country music legends walked among men. Legends like Tammy Wynette, Patsy Cline, and June Carter Cash dont come along in life very often. Thats why TJ Youngs music touches you so deeply. She is of the same cloth, the same passion, and the same hit songs. If you want to book an average singer at your venue thats one thing, but if you want to book a voice that stars are made out of, Then get TJ Young for the crowd you want to come back over and over. You wont be disappointed. TJ Young is a consummate

professional, a true entertainer with all the class you would expect from a Grand Ole Opry star in Nashville. Her album and her life speak volumes about the greatest legends in the music industry. As you listen to her latest album, Once in a Blue Moon, you are reminded that great female country singers only come along that same way. once in a blue moon. And, this voice says it all. Congratulations on one of the great albums Ive worked on in the city of Nashville. -Producer Robert Metzgar Legends Hall Of Fame
