

Mp3 Trey Nix - The Art In Me

[DOWNLOAD HERE](#)

An album that is most broadly placed into the category of acoustic rock; however, this album offers a great deal of variety from straight forward rock to a bit of a jazz feel. 6 MP3 Songs ROCK: Acoustic, FOLK: Folk Pop Details: Trey Nix writes songs that are both enjoyable and meaningful. A musician with a rich sand paper voice and a good hand on guitar and keys, Trey has been the subject of television features and entertainment news articles. The ultimate proof of his appeal is in his live performances and the verdict resounds. Trey Nix is just genuinely good, enjoyable, entertaining. Trey has played on stage at venues like Jubilee City Fest before artists Beth Neilsen-Chapman, Bonnie Raitt, and James Brown. He has also joined recording artist Damon Johnson of Brother Cane live on Star 98.9's morning show. Trey is a popular performer at clubs and bars with an enthusiastic group of followers who love his music and appreciate his easy style and friendly manner. Trey's latest recording is a six song EP entitled "The Art in Me". It was recorded at Wirehouse Recording Studios and was mastered by Rodney Mills who has worked with a diversity of artists from Lynyrd Skynyrd and Greg Allman to Sister Hazel and Sheryl Crow. From beginning to end the cuts on this CD are constructed with well-crafted lyrics and tunes, and compelling performances by Trey and friends. "The Art in Me" is an album that will be played again and again.
