Wing sings carols to warm your heart this Christmas holiday. 10 MP3 Songs CLASSICAL: Traditional, GOSPEL: Contemporary Gospel Details: Hi, I am Wing! I immigrated to New Zealand with my family about ten years ago from Hong Kong. I have been learning singing in New Zealand and I do performances in Rest Homes and Hospitals and occasionally promotional concerts as I go along. I released my first CD Phantom Of The Opera and got a grant from the Manukau City Council for promotion. Then I released I Could Have Danced All Night and The Sound Of Music. My latest CDs are called "Breathe" "Wing Sings Elvis", "Wing Sings AC/DC", "Dancing Queen by Wing", and "Beatles Classics by Wing". I have worked hard and I hope you have all found I am improving. Thank you for all who supports me helping me very much as I go along. Thank you!" Wing.
