It can be tempting, for couples who are engaged, to focus on planning their wedding day and ignore preparations for the lifetime commitment that begins after the cake is cut. Now, with this revised and updated edition of Preparing for Marriage from FamilyLife, couples can do both! Created by one of Americas leading marriage and family ministries, this dynamic program is designed to help Christian couples lay the foundation for a strong, lasting and biblical marriage. Preparing for Marriage includes eight sessions of fun, romantic study that will help couples identify areas for growth in their relationship and start them off on the right foot before they walk down the aisle. Couples will learn how to discern Gods will for their relationship, to handle finances and plans for the future, to clarify their roles and responsibilities, to develop a loving sexual relationship, to deal with family histories and past issues, and much more!
