Enough of the tedious work! With our software you can spend your time on more enjoyable things! Just think about it. Which of the following would you rather be doing? Spending time with the kids, going out to eat, watching a good movie or trudging through creating a time-consuming sales page? The answer, I'm sure you'll agree, is obvious. Anything but dragging your feet through sales page hell! SP Rapid Fire boast the following features and more: * User-Friendly Interface - It simply couldn't get any easier to navigate through our software! No need to be stuck on one step as many software cause you to. All of the steps are outlined and accessible at the top of all windows! Jump around as you wish -- it's much easier that way. * Professional-quality output - This sales page was created with Sales Page Rapid Fire. By using SP Rapid Fire, you too could be making professional sales pages just like this one with minimal effort! * Ability To Preview Your Sales Pages - A simple but valuable feature of SP Rapid Fire, you can preview your sales page as many times as you wish while you're creating it. Gone are the days of having to start all over if you botched up just once! * 3 Customizable Sales Page Templates Built In! - 3 Template Options -- They're all you'll ever need to make great sales pages every time! * Save Option - You can

save any sales page you work on (at any point) by clicking just one button! * Ability to easily include your graphics - No need to hard-code graphics into your salespage. Just browse and find your picture file. Click one button and SP Rapid Fire will automatically insert it for you! * Automatic Testimonial Building! - Just copy and paste a testimonial into the testimonials box. Click 'Save' and SP Rapid Fire automatically inserts the testimonial for you. No more wasting time creating tables and formatting them! * Easy Feature-Add Option - Instead of one window where you type in all of your benefits, SP Rapid Fire lets you list and name options one at a time. SP Rapid Fire then takes the features and formats the text and list automatically! * Easy Ezine Sign-Up Web Form Integration - With SP Rapid Fire, it's as easy as copying and pasting the web form html code into one the software's designated window and going on to the next step! * No Need To Manually Insert Your Paypal Button Code! - Just copy and paste your Paypal button (html) code into the window we have set up for it and go on to the next step! It's really as easy as that! * Extended Font and Color Capabilities - Unlike other software out there, while you're creating your sales page within SP Rapid Fire, you can easily modify your fonts and color. A BIG PLUS! * Makes Pumping Out Sales Page After Sales Page Easy! - Most people burn out after creating one sales page manually. With SP Rapid Fire, you won't burn out so quickly since the software handles just about everything! * No Smarttags Or Bulky HTML! - SP Rapid Fire does not add ten tons of gunk to your html code. For this reason, your sales page size will be smaller and your page will load up quicker than if you used certain popular html editors. * User Guide Included! - Although we consider SP Rapid Fire to be extremely easy to use, we've put together a user guide to help you along and to explain what's what. This, of course, comes with the software. No offense, but going on without Sales Page Rapid Fire is like the blind walking without an eye-seeing dog! Creating your sales pages manually entails a whole lot of stumbling and wasted time! With SP Rapid Fire faithfully at your side, you can get done in a more timely and peaceful manner!
