Secret Method To Make 100s Fast With Resale Rights Secret Method To Make \$100s Fast Exposed Ive outlined the strategy step by step. You can make more money then I did with this technique. And I tell you how and why! So here is what you need to make this work. 1) A blogger blog. 2) The blog must have a pagerank of 4 or higher. That is the pagerank of my blog at the time of testing this technique. It means you can have a pagearank 3 or 2 and this still works. This is not WINDOWS, like if there is a simple error the computer will FREEZE. 3) Optional: If you already have a ton of traffic coming to your blog it obviously helps. 4) Finding an affiliate product. 5) Finding a hot keyword (just one). 6) The tactic. Of course you have to wait and painfully struggle till I arrive there... :) The tactic works... you simple need to create a new blog post and add something... that was a bit more pain if you are curious :) Now lets get started to see how to put in more money in your pockets. Pick up an affiliate product. A decent product and program where you get paid good commission and the site is awesome.
