"Learn The Simple Blueprint To Successfully Starting a Profitable Blog In Just 7 Days?" MOST blogs fail because their owners start out badly, and continue to make mistakes. By the time they realize what's gone wrong, they would be quicker restarting! Everyone and his dog has a blog at the moment, but there are still relatively few success stories about blogging out there. Sure you'll have heard of a couple of serious blogging money making machines, but as there are two blogs created a second, there's also a terrifying amount of false information out there. "If YOU Don't Start At The Most Important Part Of The Structure Of Your Blog, You WILL Find That You Actually LOSE Traffic!" Unfortunately... most of these gurus will deny that this is important. They'll tell you that the content is more important and that's true, if you've got a good foundation. Without the foundation though, you'll find your site collapses under its own weight. So instead of focusing on content and the upkeep of your blog afterwards, we're giving you ALL the tools that the successful bloggers use that I use and that other bloggers I've spoken to all use and compiled it into an easy to follow, step by step, seven day crash course. Follow the instructions and you'll have a foundation that can't be beaten, and is strong enough to support anything you choose to do! More than that though, you'll find that anything you add will be effortlessly easy to promote. "Ditch The Wannabe Experts and Grab Our Seven Day Master Plan!" With our seven day master plan, we answer everything from: What the four best bookmarking sites are for driving incredible traffic in your direction How best to build your blog unselfishmarketer.com/showme/ THE single best platform to blog from How to choose a the keywords you're building your blog around How to implement those keywords in a way that HELPS your readers and YOUR income AND MORE
