An electronic mix of spacey ambient and gentle sequencer music. 10 MP3 Songs ELECTRONIC: Ambient, NEW AGE: Progressive Electronic Details: This is the second full length release by Alpha Wave Movement originally released on the Dutch electronic music label CUE later known as Groove Unlimited. This has been out of print for many years and is now available here with a bonus 10+ minute length ambient track. This was released on behalf of the U.K. electronic music label Ambientlive. REVIEWS The ambient landscapes are spacious and mysterious, with both light and dark textures. Recommended tracks include "Binary Code 51", "The Edge of Infinity", "Monolith" and "Purge" although all tracks are strong. The Edge of Infinity is both exciting and interesting.
