Hip hop that is real and hot. Beware eminem, g unit, lil flip, snoop dogg and dre fans... 13 MP3 Songs HIP HOP/RAP: West Coast Rap, HIP HOP/RAP: Hip Hop Details: This is the first West Coast underground mix cd that has really been groundbreaking. Addy Aht is a phenominal artist who attacks artist like EMINEM, DR DRE, 50CENT, G-unit, and other wack Mcs, not for notoriety but to let these artists know that Hip Hop is not a stage for fake gangsters, racists and others to pimp. Hip Hop, in ADDYs opinion, is something that should be takin SERIOUSLY. This mix cd uses the tracks how they should have been used, you are guaranteed to love it, this cd is making noise on the LA underground circuit and has been described as realistic, comical and eye opening with heavy lyrical content. PLEASE BE ADVISED THAT IF YOU LOVE THESE ARTISTS NOW, ONCE YOU BUY THIS CD YOU WILL LOOK AT THEM IN A WHOLE DIFFERENT LIGHT. ADDY has paid dues in the underground scene for years and is more than willing to battle any of these Mcs at anytime. Because Addy is already financially stable he is selling his cds for \$6.00 ( \$1.00 more than he does on the streets) just to pay for the redistribution. If you want to buy a cd from Addy personally in the streets, you can catch him every friday and Saturday in Hollywood with the street boom box and the "battle circle".
