

# Mp3 Barry Gibson - The Barry Gibson Story

[DOWNLOAD HERE](#)

Great rock and roll with a classic Zeppelin feel to the singing, but a modern Robert Plant feel as well. 15 MP3 Songs ROCK: Classic Rock, ROCK: Progressive Rock Details: About this new Enhanced CD from the liner notes: This enhanced CD spans the career of award winning singer Barry Gibson. Rare photos, lyrics, weblinks and video clips as well as the musical history of this gifted singer await. Plus 14 digitally remastered songs pulled from the original master tapes of the hundreds of songs recorded since 1982. Enjoy!! About Barry: Barry Gibson began singing as a child in his hometown of Miamisburg, Ohio. He sang in church and school choir until he joined his first band "Odds Against" in 1982, where he began writing original music for the first time. Numerous formations of his band 1111 (Eleven, Eleven) and several albums later, Gibson received worldwide recognition through his nomination for "Album of the Year" in 1999, his award in 2000 for "Outstanding National Artist" and yet another award as "Singer/Songwriter of the Year" in 2002 from the prestigious Los Angeles Music Awards. Gibson has been featured on the local radio program "Genre" seven times in the past five years. He has performed live on local television station WTAP in Parkersburg, WV numerous times, as well as the Rock and Roll Hall of Fame. His music has also been featured on KLOS in Los Angeles as well as many stations across the US and abroad. Barry continues to record and this is his 15th album he is releasing here in the spring of 2005.
