Improvised surreal soundscapes of synthetic guitars, bass, electronic drums, and homemade instruments. 13 MP3 Songs ELECTRONIC: Soundscapes, ELECTRONIC: Experimental Details: Birke | Leykam | Panasenko follow up 2002s Act on Impulse with a new collection of surreal soundscapes constructed of synthetic guitars, electronics, bass, percussion, midi trumpet, and chapman stick. Even more ambient and obscure than its predecessor, Bewitched Revelations presents 13 hypnotic snapshots of mood and texture. Listeners are transported to an audio environment of mysterious and beguiling sound. This is an improvised exploration of the unknown and unheard music of the mind. About the musicians: Martin Birke is an electronic musician and percussionist best known for his work with sandbox trio, Casualty Park, and Genre Peak. Roman Leykam is a guitar-synthesist who has recorded and performed with the ambient duo, Leykam/Mark. Daniel Panasenko is a multi-instrumentalist who has explored conventional and experimental methods of music-making with sandbox trio, Peter James, and Genre Peak.
