

## Mp3 David W. Jacobsen - Footprints

[DOWNLOAD HERE](#)

A diverse mix of pop, folk, rock, and experimentation about obsession and mortality. 23 MP3 Songs  
FOLK: Modern Folk, ROCK: Emo Details: Footprints deals with obsession and mortality through both humorous and melancholy acoustic songwriting. Some songs present funny and cynical looks at being rejected, while other songs are honest tales of unrequited love. Some songs are humorous existential rants, while others probe for a positive reason to get through the day.
