Details: Dear Fans' I hope you'll have a moment to listen to my "BEST OF DELANO 1999-2005" cd. I have taken the most requested songs from my past cd's and compiled them onto my new cd release. I am also working on a new cd project with the first few tracks completed. I hope to have this new cd ready for release by 2007. I will post the cd cover and keep you updated on the progress on my home website. All my music is written and performed by me at my home studio in Lakengren, Ohio USA. I'm a one man band. The Lord has guided me through my music and most of my songs I start don't end up the way I intended them to and I know the Lord had his hands through the production. My music has been air on radio stations in the USA and other countries and if your interested in air play, please email me. Jesus Lives. As we live in this fast paced and troubled world today, we need to pray because prayer is powerful and the world needs plenty of it today with the drug and sex abuse and abortion, wars and rumors of wars and prayer especially for our younger generation, leaders of our countries and also our enemies at home and around the world. I would love to hear from you. If you have any questions about me or my music, if you need a Christian friend to talk to, if your involved with serving the Lord in someway or looking for inspirational chat and have photos from you country with friends and family or in trouble and in need of prayer, weather it be friends or enemies in the USA or any country around the world, please just drop me an email and we can chat. Remeber we are all God's children, brothers and sisters in Christ and we need to communicate and help each other and the lost of the world. The world needs us and our prayers today more than ever while the sign of the times unfold. Be Blessed Our Father Knows best Delano
