Stories of life, love pain and re-birth. 7 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Southern Style Details: Explosive, multi-dimensional, and mind blowing - those are words that still come short, of describing the style and flavor when experiencing the super - talent of emerging hip hop/Artist GAMEWARDEN, aka DAMIAN. His deep leveled mind, with a splash of self and spiritual awareness, carries you off and away to lyrical ecstasies. Never before has an M.C. arisen like this one, who can combine the sounds of heart felt, soul gripping vocals that you would expect to hear belting from a spirit filled choir singing tenor, in a down home Southern Baptist church. Mixed with an aggressive and dominating Rap style with a quick skilled tongue, similar to a military machine gun riddling bullets rapidly and effectively towards it's desired enemy target. Exploring from day to day experiences of trials and tribulations, to most needed victories and over comings that one may desire in this ever changing and diverse world we live in. Stories of life, love, pain and rebirth. GameWarden, born Damian S. Coleman to a single mother and absent father.
