Jason Fickel's third disk crackles with wry vocals, bottleneck guitars, and heartbreaking songs--a backseat Buick mix of Delta Blues and Urban Folk. 11 MP3 Songs FOLK: Modern Folk, ROCK: Americana Details: Singer-songwriter-guitarist Jason Fickel was born in Kansas and raised in western Colorado. Bitten by the blues, he headed south to Mississippi where he learned blues guitar and the blues trade from some masters--bluesmen James "Son" Thomas and Othar Turner. Next Fickel headed north, first to Rhode Island, where he played in coffeehouses and biker bars, and then on to Chicago, where he honed his songwriting craft. Now a resident of Indiana - America's Crossroads - Fickel continues to tour, write, and record original music. Kerosene Cologne showcases Jason's slide and electric guitar playing, anchored by his acoustic finger-picking and soulful vocals. Soaring background vocals and clever percussion by producer Lauren Robert, horns by Jonathan Elmer, and keyboard contributions by Slats Klug and Dan Lodge-Rigal all magnify and amplify the emotional resonance of Fickel's songs. See JasonFickel for more information and upcoming performances.
