Folk rock with spiritual emphasis 16 MP3 Songs FOLK: Modern Folk, ROCK: Folk Rock Details: Man, what a journey it has been, thinking about seeing this thing come together and thinking about life itself! I am thankful to the God that got my attention so many years ago even when I scoffed at Him and I am overwhelmed when I realize I am surrounded by family and friends that love, support encourage as we fall down and get up again this is the best of the best friendship with God Himself and with others in my world a world that is wonderful even though it is a mess! This dream could not have come to be unless so many pieces of the puzzle had fallen into place my God, my wife, Lynn, my children, my parents, good friends many writers and musicians of faith have contributed to the formation of my soul and to this project what a joy! And a special thank you to Lise and Brad for hanging in there on this wild ride ! May it all bring a smile to the face of God and lift up each of your spirits
