Hip Hop Futuristic Funk feat. Kool Keith, and Tron 18 MP3 Songs HIP HOP/RAP: West Coast Rap, ELECTRONIC: Funk Details: The DARKSIDE of the LOTUS is a west coast funk record to check out. Full of songs with a wicked twist, the album is a social wake up call. If you are unhappy with the present state of affairs in the world these songs will inspire you to check your head. Provocative, controversial, and down right funky the DARKSIDE of the LOTUS is a stark look at the realities of our currant times and social nuances. Materialists beware KAHLIL is an etymologist in his own right. The dark times we live in are the door way to another realm. Hypocrites love the fear they consume with vigor, false prophets that they be cow tide to the propaganda of church and state. Kahlil understands what he evokes and is prepared to strike down any demon beast anytime. Here is wisdom Let him that hath understanding count the number of the beast for it is the number of a man and his number is Six hundred threescore and six. Kali is his lady, Shiva is his drummer. The DARKSIDE will yield the LOTUS. The record features a special guest appearance by KOOL KEITH aka DR. DOOOM. Seventy minutes of futuristic funk for the next generation, the album colors the world with a red paint brush. The DARSIDE of the LOTUS is a heavy groove record for the intellectual listener. The DARKSIDE is an explosive album with a twist. Look out for the Next and Final Chapter of the LOTUS
