[DOWNLOAD HERE](#)

Sick beats and addictive rhythms. Techno from the dark corners of the mind. Motion with a touch of chill, and a slight industrial influence as well. 13 MP3 Songs ELECTRONIC: Techno, ELECTRONIC:

Experimental Details: Los Minstrels Del Diablo are Pete Coe and Jason McCombs. Formed in 2001 and fueled by the desire to experience live performance combining audio rhythmic sculpture with machine-gun paced video presentations. The only solution was to do it ourselves! The CD contains over an hour of sickness combined with elements of chill, with a slight industrial influence. This release is composed of one of the sets performed at Theatre Bizarre (theatrebizarre.com), and includes three bonus studio tracks.
