-----B--l--G---P--R--O--M--O--T--l--O--N----- -- BUY THE CD TODAY AND GET TWO FREE DOWNLOAD BONUSES! -- 4 MORE THEMES FOR YOU! -- Equal to 30 extra minutes of TIHAI Music!!! Fast and technical guitar-sitar passages, crazy unisons, deep and emotional instrumental dialogs, moving rhythmic cycles and meditative expressive freedom. This is what you get when you put a Mystic Guitar Athlete, a Top Sitarist and a Tabla Maestro inside a recording studio in Varanasi INDIA at 126F (without air-conditioning) and having a genius producer like Mattia Berti behind the mixer and taking care of post-production madness. This CD presents a musical fusion between Indian classical music and an (almost) western acoustic guitar. Featuring: Luca Tihai at the "OM" Acoustic guitar, Deobrat Mishra at the Sitar and Mangala Prasad Mishra at the Tabla. The album's cover picture was taken from a "Ghat" (series of steps leading down to a body of water) on the Ganges river in the city of Varanasi. The two small boats portray the two way of the Indian and the Western music sharing the same oceanic consciousness and inspiration. This is to say that music genres don't really exist... "I like to think of them just as colors floating together with trust and harmony on the river of becoming, without worrying about specific directions and time". Luca Tihai. You can get more info on the "OM" Acoustic Guitar at LUCA TIHAI OFFICIAL WEBSITE. See the links section of this page. FOR MORE INFO ON TIHAI THE BET BIG PROMOTION!!
