

Mp3 Marcus Magellan - Universe

[DOWNLOAD HERE](#)

Melodic trance with a mix of lounge and world music. 13 MP3 Songs ELECTRONIC: Trance, ELECTRONIC: Lounge Details: Musically bred in the birthplace of samba/Bossa Nova, Rio de Janeiro, then relocating to guitar/rock USA, Marcus eventually grew tired of the stale confines of the rock/pop outfit and moved his creative energies to electronic music. Finding more freedom and self-expression through the pursuit of Trance tracks like "Cosmic Blanca" and "silver Asteriod" drop into the existing Trance scene with fresh flourishes and a broad aesthetic. "Universe" which partially recalls the Moog-y heyday of the 60's, was chosen to inaugurate Keyboard Magazine's "Unsigned Artist of the Month" feature.
